

**SUPERIOR COURT OF THE STATE OF CALIFORNIA
IN AND FOR THE COUNTY OF MENDOCINO**

In Re:

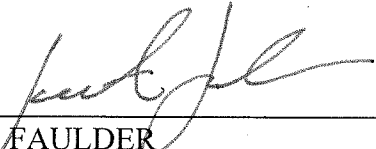

**OVERPAYMENTS IN FELONY,
MISDEMEANOR AND INFRACTION
CASES**

STANDING ORDER: 2025-07

Overpayments on felony, misdemeanor or infraction cases may occur because a defendant overpays the amount due or the California Franchise Tax Board, through its Tax Intercept or Court-Ordered Debt Programs, collects more from a defendant than is owed on a particular case. If a defendant, his/her representative or the Franchise Tax Board overpays the amount due on felony, misdemeanor or infraction fines and fees on a particular case, the court will determine whether there are other adjudicated cases with outstanding balances due. If there are such cases, the court will apply the overpayment to those cases, starting with the oldest outstanding balance(s) due. The court will only issue a refund to a defendant if there are no outstanding balances due on adjudicated cases or there are pending cases that have not yet been adjudicated.

This standing order shall expire on July 1, 2025.
